Taipa Village Cultural Association Celebrates Easter With Bonding Events and Activities

Reuniting with Macau brand character Galo to bring a celebratory mood to the community

Macau, 18th March 2020 – For the fourth consecutive year, Taipa Village Cultural Association is celebrating this Easter by collaborating with the popular Macau brand character Galo, a cheerful Portuguese rooster which represents luck, happiness, love and hope.

The weekend program of family-oriented activities includes Galo-themed Easter egg and face painting, an Easter egg hunt, and a Taipa Village discovery experience for parents and kids to participate in teamwork, family engagement and bonding.

“Following the great success of previous years’ events, we are delighted to launch our latest Easter festive programme dedicated to connecting the local community,” says Pamela Chan, Vice President of Taipa Village Cultural Association’s Executive Board. “By working closely with designated merchants and local talents, we aim to give families a lively, joyful and meaningful Easter, offering them the opportunity to experience Taipa Village’s colourful history and unique heritage.”

The two Galo-themed Easter activities include:

1. Easter egg painting and face painting

To celebrate Easter, Taipa Village connects the community with art and creativity. Macau's lucky rooster Galo invites families with children to participate in an egg-painting workshop led by an experienced instructor. By encouraging parents and children to paint their own colourful Easter eggs, the workshop will provide parents with a memorable bonding experience with their kids. In addition, face painting will also be offered for more family fun.

About Taipa Village Cultural Association

Taipa Village Cultural Association was established in 2016 as a non-profit association comprised of representatives from both the local community and broader Macau. The association aims to highlight the uniqueness of Taipa Village's heritage by raising awareness of its attractions and cementing its position as a distinctive community that benefits all of Macau.

Numerous initiatives are planned to preserve, enrich and cement the village's position as a tourism and cultural destination, including a diverse range of artistic and cultural attractions that will allow visitors and future generations to enjoy a unique experience of the authentic Macau.

About Taipa Village

Located in an historic enclave on Taipa Island, Taipa Village was originally inhabited by fishermen – a heritage that lives on today in its quaint village street layout and evocative, pastel-hued shop houses, nestled alongside colonial churches and Chinese temples. The village, with its rich history, offers an inspiring, East-meets-West alternative to Macau's casinos, and is a must-go destination for visitors and locals alike.
