Taipa Village Cultural Association Proudly Presents
Walking Culture – Outdoor and Indoor Collective Exhibition
Promoting Taipa Village Through Art, Culture and Heritage

Macau, 3rd February 2021 – Taipa Village Cultural Association is delighted to present the first show of the year, entitled “Walking Culture – Outdoor and Indoor Collective Exhibition”, in collaboration with thirteen Macau and international artists who hosted exhibitions at Taipa Village Art Space between 2016 and 2020. A diverse collection of artworks hand-picked by the artists, the exhibition features paintings, illustrations, photography, movie posters, zines and more.

As a distinctive art showcase for Taipa Village Cultural Association’s past few years, this breakout exhibition brings together a unique combination of outdoor art installations and interior displays of selected works by thirteen individual and collaborative talents from Macau and across the world, creating a visual spectacle richly endowed with cultural heritage, interactivity and art appreciation. Going beyond a conventional indoor display, the experience takes art-lovers outdoors, enticing them to stroll among the heritage spots and historic lanes of Taipa Village as they explore the culture, the charm and the distinctive atmosphere of the district.

Notable artists featured in the exhibition include: graffiti pioneer P.I.B.G.; photographic artists Hugo Teixeira and Chan Hin Io; illustration and visual artists Fan Sai Hong, Ana Aragão, Un Chi Wai and Rui Rasquinho; renowned master painter Lio Man Cheong; mixed-media artists Tong Chong, Allen Wong, and Bonnie Leong & Kitty Leung; film director and producer Maxim Bessmertny; and indie publishing collective ZINECOOP HK.

“This collective exhibition is more than an art show. It is a celebration dedicated to Taipa Village, its dwellers, cultural charm, colourful history and unique heritage.” says João Ó, President of the Executive Board at Taipa Village Cultural Association. “The variety of works represents each artist's habitual medium of expression in different techniques. We believe in talent yet to be discovered, nurture experimentation and promote cultural exchange.”

Taipa Village Cultural Association continues to bring together the endeavours of local and international art talents by exhibiting a multitude of artworks at Taipa Village Art Space. This unique integrated art exhibition further cements Taipa Village’s position as a leading cultural and artistic destination in Macau, and its significant contribution to the promotion of the territory’s cultural and creative industries.

Taipa Village Cultural Association has planned numerous initiatives to preserve, strengthen and enhance the village’s position as a tourist and cultural must-go destination, including a diverse range of artistic and cultural attractions that will allow visitors and future generations to enjoy a unique experience of the authentic Macau.

About Taipa Village

Located in an historic enclave on Taipa Island, Taipa Village was originally inhabited by fishermen – a heritage that lives on today in its quaint village street layout and evocative, pastel-hued shop houses, nestled alongside colonial churches and Chinese temples. The village, with its rich history, offers an inspiring, East-meets-West alternative to Macau’s casinos, and is a compelling, rewarding city highlight for visitors and locals alike.
