Taipa Village Cultural Association Celebrates Easter with Festive Treasure Hunt

Joining hands with small and local business owners to spread love to the community

Macau, 8th March 2022 – For the fifth year, Taipa Village Cultural Association is celebrating Easter by collaborating with a number of merchants in the neighbourhood to host an engaging treasure hunt, enticing participants to stroll around Taipa Village and explore its cultural charm.

This one-day, family-oriented event invites children and their parents to visit “checkpoints” at various shops in Taipa Village to complete a designated task. With the aid of a treasure hunt kit that includes a map and a guidebook, each family can collect a complete set of Easter stickers from the different locations, based on the hints provided, to reveal a magic word in order to complete the game and receive a festive gift.

“Following the great success of our festive Easter activities in previous years, we are delighted to present our fifth Easter program to connect with the local community,” says Pamela Chan, Vice President of Taipa Village Cultural Association’s Executive Board. “Despite the range of impacts on daily life resulting from the COVID-19 pandemic, we are determined to remain positive and unite with our community, joining hands to ignite hope, love and care.”

Since its establishment in 2016, Taipa Village Cultural Association has organised 25 art exhibitions and more than 10 festive and community events, with the aim of fostering the sustainable development of non-gaming tourism in Macau and promoting local culture and the creative industries. Moving forward, the association will renew its dedication to organising more community events to benefit local people and Macau more broadly.

About Taipa Village Cultural Association

Taipa Village Cultural Association was established in 2016 as a non-profit association comprised of representatives from both the local community and broader Macau. The association aims to highlight the uniqueness of Taipa Village's heritage by raising awareness of its attractions and cementing its position as a distinctive community that benefits all of Macau.

Numerous initiatives are planned to preserve, enrich and cement the village's position as a tourism and cultural destination, including a diverse range of artistic and cultural attractions that will allow visitors and future generations to enjoy a unique experience of the authentic Macau.

About Taipa Village

Located in an historic enclave on Taipa Island, Taipa Village was originally inhabited by fishermen – a heritage that lives on today in its quaint village street layout and evocative, pastel-hued shop houses, nestled alongside colonial churches and Chinese temples. The village, with its rich history, offers an inspiring, East-meets-West alternative to Macau's casinos, and is a must-go destination for visitors and locals alike.
