任哲：众生

任哲的作品充满活力与写意、虚灵的意象之美。他擅于从传统思想文化资源中汲取营养，将东方禅修的神韵和西方现代气质作桥接，将中国传统文化和西方当代艺术完美结合，并巧妙地转化为自己独特的雕塑语言。本次展览展出艺术家的雕塑新作以及全国首发同系列版画作品。本次展览作品系列名为“十二生肖”，作品“十二生肖”融入了艺术家对于时间的理解：绵长无尽，用之不勤，暧昧明暗，赓续相承；又通过生肖文化影射众生在这世间的万千姿态——世情皆梦幻，盛衰各有时，相逢聚散终有期。本次展览不限于画廊空间内，在北京侨福芳草地的大楼内外亦可观赏任哲的大型雕塑群“尘”与“十二生肖”。

赵赵

本次展览聚焦于艺术家近几年的创作，从中遴选出最为重要的几十件作品展出。展览将赵赵不同时期的颜色系列“绿色”“白色”“粉色”进行串联，将与西域文化有关的“西部三部曲”，不同城市展开的潮流文化项目重新整合，讲述了一个全新的故事，形成展览的主题：“赵赵”。

Ren Zhe: The Enlightened Ones

Works from the series Twelve Zodiac encompass Ren Zhe's understanding of the notion of time, including concepts related to endlessness, inconsistency, alternation between light and shadow, and the passing on from generation to generation. The representation of the twelve symbolic animals of the Chinese Zodiac reflects the multifaceted existential condition of all living beings the world over. Everything about life is illusionary: prosperity and decline, gathering and dispersion are all temporary. The exhibition, situated alongside Parkview Green Art, stretches from the indoor to the outdoor spaces of the Parkview Green FangCaoDi, where visitors can admire his large-scale works such as Dust and Twelve Zodiac.

REVERIE – Outdoor Sculpture Exhibition by Wong Ka Long

Wong Ka Long is considered a sculptor in the traditional sense despite his young age. He has had many public works commissioned by the government, institutions and private sectors. This interactive outdoor exhibition aims to encourage audiences to explore different sculptures of the artist in Taipa Village, enticing them to view the artworks in different areas, and be inspired by the cultural charm of the village while strolling around. The sculptures are intended to embody the artist's creativity and the character of Taipa Village.

Giovanni Ozzola: Traces of Wind

Giovanni Ozzola was born in 1982 in Florence, Italy and currently lives and works in Tenerife, Canary Islands. He is a multidisciplinary artist working primarily in photography, as well as video and sculptural installations. Ozzola has transformed Galleria Continua into an island, bringing the starry sky above the Canary Islands in Spain and the surface of the Atlantic Ocean to the gallery space. Visitors will find themselves immersed in the scenery, experiencing both the sunrise and sunset of the Atlantic Island, and feeling the winds of time blowing through life. [🌐](#)
